

## **Belgium is looking for new economic advisors in Florida, Alabama, and Tennessee!**

Want to become an essential part of Belgium's economic network in the US, supporting our embassy and consulates-general in our work? We are currently recruiting for the position of economic advisor for Belgium in the following regions: Florida, Alabama and Tennessee.

This position is non-remunerated.

As economic advisor, your responsibilities include:

- Report information that can contribute to the development of social, economic, trade and financial relations between Belgium and our jurisdiction;
- representing the interests of Belgium, Belgians and Belgian companies in your jurisdiction;

You are eligible to apply if you fulfill these criteria:

- be of impeccable conduct and enjoy an honorable reputation;
- Have at least 10 years of experience in economic, social trade or financial matters;
- Have sufficient knowledge of Belgium's institutional framework and economic and social climate;
- reside in the jurisdiction we are looking for an economic advisor (Florida, Alabama or Tennessee);

Interested? Please send:

- A recent CV
- A motivation letter for the position, describing your interest in the role and your eligibility for the above criteria
